

CHRISTIAAN LORENZEN

Trainer, Coach and Systemic Organizational Consultant (GSOB)

Resident of: 33699 Bielefeld, Germany

My Credo: Management by Kitchen Table: much of what I need in my own leadership practice I learned at my grandmother's kitchen table. When I think back to life's wisdom imparted to me by my „Omi“ back in Canada, I recognize principles I have come to know today as Leadership Success Factors. Grandma knew it all along.

My Coaching Philosophy: Coaching as I see it is always about zapping gaps, that is about bridging the gap between where I stand today and where I want to get to tomorrow. For my coachees, I always strive to be an empathetic listener for my partner in his or her quest to cross the bridge from the current state to the desired future state.
